

Adventist Enterprises Newsletter

April 2010

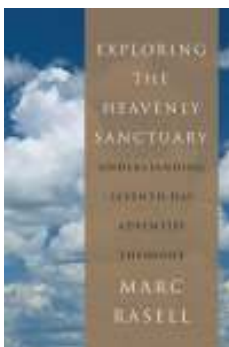

Welcome to the first Adventist Enterprises newsletter. The mission of Adventist Enterprises is to proclaim the gospel in the context of the three angels' message (Revelation 14:6-12). I am pleased to announce two new publications, "**Exploring the Heavenly Sanctuary**" and "**Nehemiah the Sabbath Reformer**" released at the end of 2009 and early 2010. It is important for Christians to understand the purpose of the heavenly sanctuary and be working to rebuild the moral law which has been broken down by the world, especially the Sabbath commandment. Today signs are all around us that the coming of the Lord is at hand.

I have also released a free e-book on my website entitled, "**The Final Deception and its Antidote**". We need to be preparing for this deception by studying and memorising Scripture. The Apostle Paul warned of a falling away before the return of Christ (1 Timothy 4:1). This final deception will involve spiritualism, a denial of the divinity of Christ and the sanctioning of lawless behaviour. More than ever we need to become acquainted with the Scriptures which will help to protect us from the coming apostasy.

You can help the work of Adventist Enterprises by downloading a leaflet from the web site to give to friends, neighbours or your local church. We have a responsibility to tell others about the special truths entrusted to the Seventh-day Adventist Church. The three angels' message is the perfect antidote to the final deception that is coming on the world; we have been commanded to proclaim this message (Revelation 10:11).

Your brother in Christ
